There is a two day annual limit per boat on non-consecutive days.

No reciprocal privileges will be extended during our Foulweather Bluff Regatta, the first weekend of October.

For reimbursement please send a copy of your moorage receipt and current yacht club membership card with return address to the address above.

We would enjoy a story of your journey to and visit in Edmonds.

CYCE has Wednesday evening racing May-August. Please feel free to join in our 1830 starts or put on your PFD and ask around for a ride.
