

## 29 RECALLS

### 29.1 Individual Recall

When at a boat's starting signal any part of her hull, crew or equipment is on the Course side of the starting line or she must comply with rule 30.1, the race committee shall promptly display flag X with one sound. The flag shall be displayed until all such boats are completely on the pre-start side of the starting line or one of its extensions and have complied with rule 30.1 if it applies, but no later than four minutes after the starting signal or one minute before any later starting signal, whichever is earlier. If rule 30.3 applies this rule does not.

X Individual recall.

### 29.2 General Recall

When at the starting signal the race committee is unable to identify boats that are on the course side of the starting line or to which rule 30 applies, or there has been an error in the starting procedure, the race committee may signal a general recall (display the First Substitute with two sounds). The warning signal for a new start for the recalled class shall be made one minute after the First Substitute is removed (one sound), and the starts for any succeeding classes shall follow the new start.

**First Substitute** General recall. The warning signal will be made 1 minute after removal.

Example: Race committee commits a timing error. Committee wants to start over. Committee raises First Substitute flag with two sound signals. All boats return. One minute prior to signaling a new five minute sequence, First Substitute flag is lowered along with one sound signal.
